#23-133 Gary Leininger moved, Mark Kline supported, to approve Tim Godfrey's request to submit a formal written agreement to be approved by the board for performing ditch work on E. Sterling Road. Motion carried.

Manager's Comments

~~Waiting on gravel processing specifications~~ *Waiting for gradation specifications on gravel processing*; once known, we can contact MDOT and townships.

Lights on M-99 will be removed for winter, flowable fill and paving over top will be a temporary fix, and the culvert replacement will happen next year.

M-49 is projected to open around the 1st week/mid-October. Bunn Rd. sealcoating will be happening while detour is still in effect.

M-99/Burt Rd. culvert will be replaced in 2024. MDOT is willing to fix roads used for detour.

Montgomery Rd. from M-49 to Abott – the mill from Jackson is scheduled to mill the butt-joint on Oct. 11th and paving will happen afterwards. Weather Permitting.

Jackson street sweeper will be sweeping the 2.5-mile Lake Leann area.

Finishing up chip seal next week with about 2 days left. Then will start fog sealing.

Bibbins Rd in Moscow Township – Stoneco is requesting that the north half of the road be abandoned to make their mining process easier.

~~The NRC inspection revealed the density gage is nuclear powered, and we need to properly train employees to maintain it~~ *The NRC inspection revealed we need to have properly trained employees to maintain the density gage as it is nuclear powered.* Will likely be assigned to future engineering tech, but manager and safety director will receive training in the meantime.

Brush spray is completed, outside of invoice verification.

Painting has started. ~~Main~~ Local and Primary roads, roads being worked on, and any roads not done in the last 3 years will be done. After this year, we'll be set up for a consistent schedule moving forward. Also, the safety grant through MDOT for rumble strips was approved.

MI DEAL salt pricing at \$61.93/ton (+ overhead for township pricing).

Cut back order for salt this year from 7,500 tons to 5,000 because the salt storage is already full.

Somerset Township offered to pay for light-up speed limit signs.

Crews will be converting to berm removal, ditching, and tree trimming projects. All number 1 priority picks from townships will be completed first and will continue down the list as far as possible, weather permitting.

~~Road agreement for MCRSIP Ranger Power solar power~~ *MCRSIP is reviewing road agreement between HCRC and Ranger Power in Fayette Township and it is starting to look good to approve when finished.*

New trucks are at the dealer but need to go to Truck & Trailer Specialties (18 – 24 months out), and will be set up for brine and liquid salt.

Should we purchase 2 trucks already on the lot? 1 single and 1 tandem with Bonnell attachments.
