of The County of Hillsdale, Michigan

From: Hillsdale County Road Commission

Re: 2021 Annual Financial Report

The Board of County Road Commissioners of the County of Hillsdale, in compliance with Act 51 of 1951 as amended, does hereby submit the annual financial report of the road commission for the fiscal year ending December 31, 2021.

The county road commission received \$10,661,677 in revenues for our 2021 operations. Our expenditures for the year totaled \$11,615,996. The result was an operating deficit for the fiscal year of \$954,319.

Our ending fund balance decreased to \$4,689,580. It is important to note that the fund balance includes inventories of parts and road materials that are not available to us in cash. A more realistic look at our financial status is our year-end cash and investment balance of \$2,110,333 which equals 18% of our 2021 expenses.

On the revenue side, our receipts from the Michigan Transportation Fund were \$8,187,154. This is an increase of \$887,987.

Revenues included \$449,583 in federal grant funds for a variety of road projects. Township contributions were \$737,723 for the year. This was an decrease from last year but is still a major source of road funding. This does not include township funds paid directly to contractors for gravel road resurfacing. We would like to recognize Amboy Township for being our highest contributor in 2021. 16 townships made contributions last year to help us maintain and improve the local road system.

Looking at the expense side of the budget, primary road construction. \$958,324 was spent on resurfacing 2 miles of Camden Road and \$402,037 was spent on a 2 mile overlay on Milnes Road. Local road construction consisted of replacement of several culverts throughout the county.

Most of our expenses usually occur in road & bridge maintenance, and those costs were \$9.1 million in 2021. Our preventative maintenance program of chip and fog seal was 36 miles and 23 miles of paver patching, with a cost of \$2,040,964. Gravel road maintenance cost over \$755,857. Snow removal costs on county roads in 2021 were \$825,315 and was 41% above our previous 5 year average of \$583,387 for county roads.

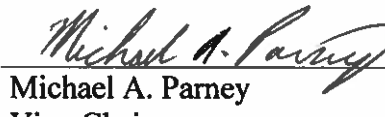

Local road expenses continue to be a big concern to us as 40% of our expenses were for local roads, but only 40% of our MTF revenues were earmarked for local roads. Overall, our expenses for local roads exceeded revenues by \$675,560 requiring a transfer from the primary road fund to balance the deficit. Our primary roads suffer from a lack of asphalt resurfacing due to this continual transfer. See page 6 of this report.

The future for our county road system continues to be challenging and increasing costs make it extremely difficult to make improvements to the system. However, with the new road funding in place we will continue to work towards making improvements. We pledge to do our best to provide a reasonably safe and convenient system of county roads and bridges with responsive and dependable customer service with the funds available.

Respectfully submitted,

Board of Hillsdale County Road Commissioners

  
Robert R. Godfrey  
Chairman

  
Michael A. Parney  
Vice-Chairman
