I authorize the Road Commission or a contractor hired by the Road Commission to fall dead trees on my property that are within the road right-of-way and are deemed a road hazard and to place felled wood on my property outside of right-of-way. Road Commission or a contractor hired by the Road Commission will chip brush and grind stumps. I understand that if the Road Commission deems the tree is not a road hazard, I will be responsible for completing a right of way permit for myself or a contractor to fall the tree.
